2. Results of business operations and the state of company's affairs

Standalone Results:

Your Company, on a standalone basis, posted a Net Sales of Rupees 12746 Lakhs for the financial year 2022-23, against last year's Net Sales of Rupees 11279 Lakhs registering a growth of 13% due to sustained efforts on the part of the management. The company has continued its leadership position in both Export and Domestic market. Company has managed to cut down Net Loss for financial year 2022-23 to Rupees 32 lakh from the last year's Net Loss of Rupees 444 Lakhs. The company is confident to achieve positive profit after tax in the next fiscal with number of new initiatives taken during the year. Company has implemented advanced dental digital technology to provide aesthetically superior dental products.

Consolidated Results:

Your Company, on a consolidated basis, posted a Net Sales of Rupees 17800 Lakhs for the financial year 2022-23, against last year's Net Sales of Rupees 14264 Lakhs marking an increase of 24.79%. Company's Loss before tax and Exceptional items has reduced to Rupees 84 Lakhs for the financial year 2022-23, against last year's figure of Rupees 456 Lakhs due to sustained efforts to achieve growth and drive towards profitability. Company is selling its products in 70+ countries worldwide.

3. Change in nature of business

There is no change in nature of business during the period under review.

4. Declaration of Dividend

No dividend is recommended for the financial year 2022-2023.

5. Transfer of unclaimed dividend to investor education and protection fund

The provisions of Section 125(2) of the Companies Act, 2013 do not apply as there was no dividend declared and paid during the financial year 2022-2023.

6. Directors' responsibility statement

To the best of their knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statements in terms of Section 134(3)(c) of the Companies Act, 2013:

A handwritten signature in blue ink is written over a circular purple stamp. The stamp contains the text "LIMITED * LAXMI DENTAL EXPORT PRIVATE" around the perimeter and "Mumbai" in the center.

- a) in the preparation of the annual accounts for year ended 31/03/2023, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year as on 31/03/2023 and of the profit and loss of the company for that period;
- c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) the directors had prepared the annual accounts on a going concern basis; and
- e) The directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operational effectively.
- f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

7. Share Capital

During the financial year ended 31st March, 2023, there was no change or alteration in the Authorised Share Capital of the Company and it is ₹. 14,46,00,000 (Rupees Fourteen Crore Forty Six Lakhs only) divided into 24,60,000 Equity Shares of ₹. 10/- each (Rupees Ten only) adding to ₹. 2,46,00,000 and 3,00,000 Compulsory Convertible Preference Shares with voting rights of ₹. 400/- (Rupees Four Hundred only) each adding to ₹. 12,00,00,000. INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Laxmi Dental Limited (Formerly known as Laxmi Dental Export Private Limited)

Report on the Audit of the Special Purpose Standalone Financial Statements

Opinion

We have audited the accompanying Special Purpose Standalone Financial Statements of **Laxmi Dental Limited (Formerly known as Laxmi Dental Export Private Limited) ("the Company")**, which comprise the Balance Sheet as at March 31, 2023, Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the Special Purpose Standalone Financial Statements, including a summary of material accounting policies and other explanatory information and disclosure (collectively referred to as the "Special Purpose Standalone Financial Statements"). The Special Purpose Standalone Financial Statements have been prepared by the Management of the Company and approved by the Board of Directors of the Company in accordance with the recognition and measurement principles of Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other recognised accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Special Purpose Standalone Financial Statements of the Company for the year ended March 31, 2023, are prepared in all material aspects, in accordance with the recognition and measurement principles of Indian Accounting Standards and other recognised accounting principles generally accepted in India.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities section of our report for the audit of the Special Purpose Standalone Financial Statements. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Special Purpose Standalone Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

1. Basis of preparation and Restriction on distribution and use

We draw attention to Note 2.1 to the Special Purpose Standalone Financial Statements which describes the purpose and basis of preparation of the Special Purpose Standalone Financial Statements. The Special Purpose Standalone Financial Statements have been prepared by the Company solely for the purpose of preparation of the Restated Consolidated Financial Information of

the Company to be included in the Draft Red Herring Prospectus (“DRHP”), Red Herring Prospectus (“RHP”) and Prospectus (collectively referred to “Offer Documents”) in connection with its proposed initial public offering of equity shares as required by Section 26 of Part I of Chapter III of the Companies Act, 2013 and as required under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended from time to time (the “SEBI ICDR Regulations”) and to comply with the SEBI Communication and the Guidance Note on Reports in Company Prospectuses (Revised 2019) (“the Guidance Note”) issued by the ICAI. As a result, these Special Purpose Standalone Financial Statements may not be suitable for any another purpose.

Our report is addressed to the Board of Directors of the Company solely for the purpose as mentioned above. This should not be distributed to or used by any other parties. M S K A & Associates shall not be liable to the Company or to any other concerned for any claims, liabilities or expenses relating to this assignment. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

Our opinion is not modified in respect of this matter.

2. Compliances under Foreign Exchange Management Act Regulations

We draw attention to Note 48 to the special purpose standalone financial statements which state that trade receivable outstanding from one of it’s related parties amounting to INR 128.39 million includes foreign currency receivable amounting to INR 43.12 million outstanding for a period of more than nine months as on March 31, 2023. This has resulted in non-compliances of various regulations, circulars and notifications issued under the Foreign Exchange Management Act, 1999 (“FEMA Regulations”). However, subsequent to March 31, 2023, the Company has collected entire balance outstanding for a period more than 9 months as on March 31, 2023.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those charged with Governance for Special Purpose Standalone Financial Statements

The Management of the Company is responsible for the preparation and fair presentation of these Special Purpose Standalone Financial Statements in accordance with recognition and measurement principles of Indian Accounting Standards and other recognised accounting principles generally accepted in India for the purpose set out in paragraph above, and this includes design, implementation, and maintenance of such internal controls as management determines necessary to enable the preparation of these Special Purpose Standalone Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations or has no realistic alternative but to do so.

Those Charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Special Purpose Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Standalone Financial Statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Special Purpose Standalone Financial Statements.

Other Matters

1. The Statutory Standalone Financial Statements of the Company prepared in accordance with the Accounting Standards specified under Section 133 of the Act, read together with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, were audited by another auditor Abhay Subhash & Associates whose report dated August 30, 2023, expressed an unmodified opinion.
2. As informed to us by the management of the Company, the predecessor auditor do not hold a valid peer review certificate as issued by the 'Peer Review Board' of the ICAI and have therefore, expressed their inability to perform any work on the Restated Financial information for the year ended March 31, 2023 to be included in Offer Documents. Accordingly, in accordance with the SEBI ICDR Regulations and the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the ICAI, and pursuant to SEBI Communication, we have audited the Special Purpose Standalone Financial Statements of the Company for the year ended March 31, 2023.
3. Since we were not the statutory auditors of the Company for the year ended March 31, 2023, we had not participated in the physical verification of inventories that was carried out by the management as of the year end. Accordingly, we have performed alternate procedures to audit the existence of inventory as per the guidance provided in SA 501 "Audit evidence Specific consideration for selected items" and have obtained sufficient appropriate evidence.

MSKA & Associates

Chartered Accountants

4. These Special Purpose Standalone Financial Statements have been prepared solely for the purpose of preparation of Restated Consolidated Financial Information for inclusion in DRHP in relation to proposed IPO. Hence these Special Purpose Standalone Financial Statements are not suitable for any other purpose other than for the purpose of preparation of Restated Consolidated Financial Information. Accordingly, no comparative figures are also presented in these Standalone Financial Statements.

Our Opinion is not modified in respect of these matters.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON EVEN DATE ON THE SPECIAL PURPOSE STANDALONE FINANCIAL STATEMENTS OF LAXMI DENTAL LIMITED (FORMERLY KNOWN AS LAXMI DENTAL EXPORT PRIVATE LIMITED)

Auditor's Responsibilities for the Audit of the Special Purpose Standalone Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for expressing our opinion on whether the Company has internal financial controls with reference to Special Purpose Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Special Purpose Standalone Financial Statements, including the disclosures, and whether the Special Purpose Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

MSKA & Associates

Chartered Accountants

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes forming part of the Special Purpose Standalone Financial Statements for the year ended 31 March 2023
(All amounts are in INR million except per share data or as otherwise stated)

1 Corporate Information

Laxmi Dental Limited (the Company) was incorporated as 'Laxmi Dental Export Private Limited' as a private limited company under the Companies Act, 1956 pursuant to a certificate of incorporation dated July 8, 2004, issued by the Assistant Registrar of Companies, Maharashtra at Mumbai. Pursuant to a special resolution passed in the extra-ordinary general meeting of Shareholders held on 18 June 2024, the name of our Company was changed to 'Laxmi Dental Private Limited', and a fresh certificate of Incorporation was issued to the Company by the RoC on 24 July 2024, and the Company was converted into a public limited company. Consequently, the name of the Company was further changed to 'Laxmi Dental Limited', and a fresh certificate of incorporation dated 02 August 2024, was issued by the RoC. The Company is engaged primarily in the business of running of dental laboratory and activities related thereto. The registered office of the Company is located at 103, Akrutl Arcade, Opposite A H Wadia High School, Near Azad Nagar Metro Station, Andheri (West), Mumbai -400053.

2 Material Accounting Policies

2.1 Basis of Preparation

(i) Statement of compliance

The Special Purpose Ind AS Standalone Financial Statements of the Company comprises the Special Purpose Balance Sheet as at 31 March 2023, the Special Purpose Statement of Profit and Loss (including Other Comprehensive Income), the Special Purpose Statement of Changes in Equity, the Special Purpose Statement of Cash Flows and Notes forming part of the Special Purpose Ind AS Standalone Financial Statements for the year ended 31 March 2023 and summary of material accounting policies and explanatory notes (collectively referred as, the 'Special Purpose Ind AS Standalone Financial Statements') that have been prepared by the management of the Company for the purpose of preparation of the restated financial information to be included in the Draft Red Herring Prospectus (the "DRHP") to be filed by the Company with the Securities and Exchange Board of India ("SEBI"), National Stock Exchange of India Limited and BSE Limited in connection with the proposed Initial Public Offer of equity shares ("IPO") by the Company.

The Special Purpose Financial Statements have been prepared by the management of the Company to comply with the requirements of:

- Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "Act");
- The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "ICDR Regulations");
- The Guidance Note on Reports in Company Prospectuses (Revised 2019) Issued by the Institute of Chartered Accountants of India ("ICAI"), as amended (the "Guidance Note"); and
- Email dated 28 October 2021 from Securities and Exchange Board of India (SEBI) to Association of Investment Bankers of India ("SEBI Communication").

Pursuant to the Companies (Indian Accounting Standard) Second Amendment Rules, 2015, the Company voluntarily adopted 31 March 2024 as reporting date for first time adoption of Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time), and consequently 1 April 2022 as the transition date for preparation of its statutory Standalone financial statements for the year ended 31 March 2024. Hence, the Standalone financial statements for the year ended 31 March 2024, were the first general purpose financial statements, prepared in accordance with Ind AS. Up to the financial year ended 31 March 2023, the Company had prepared its general purpose financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Companies (Accounting Standards) Rules, 2021 ("Indian GAAP" or "Previous GAAP") due to which the Special Purpose Ind AS Standalone financial statements are prepared as per SEBI Communication. Further, these Special Purpose Ind AS Standalone Financial Statements are not the statutory Standalone financial statements of the Company under the Act.

The Special Purpose Ind AS Standalone Financial Statements as at and for the year ended 31 March 2023, has been prepared in accordance with the recognition and measurement principles of Indian Accounting Standards ('Ind AS') after making suitable adjustments to the accounting heads from their Indian GAAP values following accounting policies and accounting policy choices (both mandatory exceptions and optional exemptions availed as per Ind AS 101) consistent with that used at the date of transition to Ind AS (1 April 2022) and as per the presentation, accounting policies and grouping/classifications including revised Schedule III disclosures followed as at and for the period ended 31 March 2024 pursuant to the SEBI Communication. Accordingly, these Special Purpose Ind AS Standalone Financial Statements for year ended 31 March 2023 are not the statutory Standalone financial statements of the Company and do not include all the disclosures applicable to statutory Standalone financial statements prepared under the Companies Act, 2013.

These Special Purpose Ind AS Standalone Financial Statements have been prepared solely for the purpose of preparation of Restated Consolidated Financial Information for inclusion in DRHP in relation to proposed IPO. Hence this Special Purpose Ind AS Standalone Financial Statements are not suitable for any other purpose other than for the purpose of preparation of Restated Financial Information. Accordingly, no comparative figures are also presented in these Standalone financial statements.

These Special Purpose Ind AS Standalone Financial Statements of the Company as at and for the year ended March 31, 2023, were approved by the Board of Directors at their meeting held on 3rd September 2024.

(ii) Basis of measurement

These Special purpose Ind AS Standalone financial statements have been prepared on a historical cost convention on accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:-

- Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments)
- Net defined benefit obligation;

(iii) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

(iv) Presentation currency and rounding off :

All amounts disclosed in Special Purpose Ind AS Standalone Financial Statements are reported in nearest millions of Indian Rupees and have been rounded off to the nearest millions, except per share data and unless stated otherwise.

(v) Going concern

The Company has prepared the standalone financial statements on the basis that it will continue to operate as a going concern.

(vi) Use of Estimates

The preparation of the Standalone Financial Information requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Handwritten signatures and initials in blue ink, including a large signature and several smaller initials.

Critical accounting estimates:

a) Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b) Expected credit losses on trade receivables

The Impairment provision of trade receivables is based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

c) Defined benefit plans and compensated absences

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate.

2.2 Revenue Recognition

Revenues are derived primarily from the sale of dental products and dental services. Revenue is measured as the amount of consideration the Company expects to receive in exchange for transferring goods or providing services in accordance with Ind AS 115. Revenues from Contracts with Customers. Revenue is recognized when performance obligations are satisfied; this occurs with the transfer of control of products and services to its customers, which for products generally occurs when title and risk of loss transfers to the customer, and for services generally occurs as the customer receives and consumes the benefit.

Revenue also excludes taxes collected from customers.

For the products pertaining to Dental Laboratory Offering and Aligners Solution, the Company transfers control and recognizes revenue when products are shipped from the Company's manufacturing facility or warehouse to the customer. For contracts with customers that contain destination shipping terms, revenue is not recognized until the goods are delivered to the agreed upon destination. As such, the Company's performance obligations related to product sales are satisfied at a point in time as this is when the customer obtains the use of and substantially all of the benefit of the product.

Revenue is measured based on the transaction price, which is the consideration, adjusted for revenue reduction due to sales returns. Reversal of revenue on account of sales returns is considered as variable consideration. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Estimated revenue reduction is recognised for expected sales returns using most likely amount method.

Contract Balances:

Contract Liability:

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

Trade Receivable:

A trade receivable is recognised if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Other operating income represents income earned from the activities incidental to the business and is recognised when the performance obligation is satisfied and the right to receive the income is established as per the terms of the contract.

Government grants are accounted when there is reasonable assurance that the Company will comply with the conditions attached to them and where there is a reasonable assurance that the grant will be received. The Company receives grants related to income and the same is recognised in the standalone Statement of Profit and Loss as "other operating income" (Revenue from operation).

2.3 Inventories

Inventories are valued at the lower of cost and net realizable value. Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials:

Cost includes purchase price, (excluding those subsequently recoverable by the enterprise from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. Cost is determined on weighted average basis. Raw Materials are valued at lower of cost and net realisable value (NRV).

Finished Goods:

Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. The same is valued at lower of cost and NRV. Cost of Finished goods includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average basis.

Traded goods:

Cost includes purchase price, (excluding those subsequently recoverable by the enterprise from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition.

Provision for inventory:

Provision of obsolescence on inventories is considered on the basis of management's estimate based on demand and market of the inventories.

[Handwritten signature]

2.4 Property, Plant & Equipment

(a) Recognition and Measurement :

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Cost includes expenditures directly attributable to the acquisition of the asset. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when discarded/scrapped. All other repairs and maintenance costs are charged to profit and loss in the reporting period in which they occur.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

(b) Depreciation:

Depreciation is provided, under the Written down value (WDV) basis, pro rata to the period of use, based on useful lives specified in Schedule II to the Companies Act, 2013.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The range of useful lives of the Property, Plant and Equipment are as follows:

Assets	Useful economic life (in Years)
Building	60
Furniture and fixtures	10
Office Equipments	5
Vehicle	8 to 10
Computers	3 to 6
Plant & machinery	13 to 15

2.5 Leases

The Company leases most of its office and warehouse facilities under operating lease agreements that are renewable on a periodic basis at the option of the lessor and the lessee. The lease agreements contain rent escalation clauses.

The Company assesses whether a contract contains a lease at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset, (ii) the company has the right to obtain substantially all of the economic benefits from the use of the asset through the period of the lease, and (iii) the company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a ROU asset and a corresponding lease liability for all lease arrangements under which it is a lessee, except for short-term leases and low value leases. ROU assets represent the Company's right to use an underlying asset for the lease term and lease liabilities represent the Company's obligation to make lease payments arising from the lease. The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight line basis over the lease term.

The lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the date of commencement of the lease on a straight-line basis over the shorter of the lease term and the useful life of the underlying asset.

The lease liability is initially measured at amortised at the present value of the future lease payments. The Company uses its incremental borrowing rate (as the interest rate implicit in the lease is not readily determinable) based on the information available at the date of commencement of the lease in determining the present value of lease payments. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment as to whether it will exercise an extension or a termination option.

2.6 Investment properties

Properties held to earn rentals are classified as investment property and are measured and reported at cost, including transaction costs, in accordance with the Company's accounting policy. Policies with respect to depreciation, useful life and derecognition are on the same basis as stated in PPE above.

2.7 Financial Instruments

(a) Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value through profit and loss, and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics.

(ii) Initial recognition

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables are measured at transaction price.

(iii) Measurement

Subsequent to initial recognition, financial assets are measured as described below:

Cash and cash equivalents:

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks (three months or less from the date of acquisition). For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks (three months or less from the date of acquisition), net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current liabilities.

Handwritten signatures in blue ink.

Financial assets carried at amortised cost:

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVOCI):

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Group has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which does not meet the amortized cost or FVOCI criteria is measured as FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses on re-measurement recognized in statement of profit or loss. The gain or loss on disposal and interest income earned on FVTPL is recognized.

(iv) Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a Company of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance.

In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses on a forward looking basis. However, if the credit risk on the financial instruments has increased significantly since the initial recognition, then the Company measures lifetime ECL.

The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain/loss under "Other Expenses" in the Standalone Statement of Profit and Loss.

(v) Derecognition of financial assets

The Company derecognises a financial asset when

- the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under IND AS 109.

- the Company retains contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to extent of continuing involvement in the financial asset.

(b) Financial liabilities:

(i) Initial recognition and measurement

Financial liabilities are classified as financial liabilities at amortised cost. All financial liabilities are recognized initially at fair value, except in the case of borrowings which are recognized at fair value, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, bank overdrafts, borrowings and lease liabilities.

(ii) Subsequent measurement

After initial recognition, interest bearing borrowings are subsequently measured at amortised cost using the effective interest rate method.

(iii) Derecognition

Financial liabilities are derecognised when the contractual obligations are discharged, cancelled or expired. The Company also derecognises financial liabilities when their terms are modified and the cash flows of the modified liabilities are substantially different, in which case new financial liabilities based on the modified terms are recognized at fair value.

2.8 Employee benefits

(a) Short-term obligations

Liabilities for salaries, wages and bonus, that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognised in respect of employees services up to the end of the reporting year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(b) Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on number of days of unutilised leave at each balance sheet date based on an estimated basis for the period end and on an independent actuarial valuation under Projected Unit Cost method at the year end.

(c) Defined benefit plan

Employees are entitled to a defined benefit retirement plan (i.e. Gratuity) covering eligible employees of the Company. The plan provides for a lump-sum payment to eligible employees, at retirement, death, and incapacitation or on termination of employment, of an amount based on the respective employees' salary and tenure of employment. Vesting occurs upon completion of five years of service.

Gratuity liabilities are determined by actuarial valuation, performed by an independent actuary, at each reporting date using the projected unit credit method. The Company recognises the obligation of a defined benefit plan in its balance sheet as a liability in accordance with IAS 19 - "Employee Benefits." The discount rate is based on the government securities yield. Re-measurements, comprising actuarial gains and losses are recorded in other comprehensive income in the period in which they arise. Re-measurements recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in the Statement of Profit and Loss in the period of plan amendment.

Costs comprising service cost (including current and past service cost and gains and losses on curtailments and settlements) and net interest expense or income is recognised in profit or loss.

2.9 Provisions and expenses

A provision is recognised when the Company has a present legal or constructive obligation as a result of a past event, and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Costs and expenses are recognised when incurred and have been classified according to their nature.

2.10 Income taxes

Income tax comprises of current tax and deferred tax.

a. Current Tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable profit for the period. The tax rates and tax laws used to compute the amount are those that are enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realise the asset and liability simultaneously.

b. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Balance Sheet and their tax bases. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences and incurred tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

The Company recognises deferred tax liabilities for all taxable temporary differences except those associated with the investments in subsidiaries where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

3 Recent accounting pronouncements:

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective for annual periods beginning on or after 1 April 2023. The company has applied these amendments for the special purpose standalone financial statement.

(a) (i) Disclosure of Accounting Policies - Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have had an impact on the disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the financial statements.

(ii) New standards and amendments issued but not effective

There are no standards that are notified and not yet effective as on the date.

(b) Amendments to Ind AS 12 - Deferred Tax related to Assets and Liabilities arising from a Single Transaction

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases.

The Company previously recognised for deferred tax on leases on a net basis. As a result of these amendments, the Company has recognised a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-of-use assets. Since, these balances qualify for offset as per the requirements of paragraph 74 of Ind AS 12, there is no impact in the balance sheet. There was also no impact on the opening retained earnings as at 1 April 2022.

(c) Amendments to Ind AS 8 - Definition of Accounting Estimates

The amendments clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

-----This section is intentionally left blank-----

Laxmi Dental Limited (Formerly known as Laxmi Dental Export Private Limited)
 Notes forming part of the Special Purpose Standalone Financial Statements for the year ended 31 March 2023
 (All amounts are in INR million except per share data or as otherwise stated)

4 First-Time Adoption Of Ind As

4.1 Ind AS optional exemptions

Ind AS 101, First-time Adoption of Indian Accounting Standards, allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has accordingly applied the following exemptions:

(i) Deemed cost for property, plant and equipment and intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statement as at the date of transition to Ind AS, measured as per previous GAAP and used that as its deemed cost as at the date of transition after making necessary adjustment for decommissioning liabilities. Accordingly, the Company has elected to measure all of its property, plant and equipment at their previous GAAP carrying value as at transition date.

The Company has elected to measure intangible assets at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

(ii) Classification and Measurement of Financial Assets

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

(iii) Leases

The Company has applied the modified retrospective approach in applying Ind AS 116.

4.2 Ind AS mandatory exceptions

(i) Classification and measurement of financial assets and liabilities

Ind AS 101 requires an entity to assess classification of financial assets and liabilities on the basis of facts and circumstances existing as at the date of transition. Further, the standard permits measurement of financial assets and liabilities accounted at amortized cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable. Accordingly, the Group has determined the classification of financial assets and liabilities based on facts and circumstances that exist on the date of transition. Measurement of financial assets and liabilities accounted at amortized cost has been done retrospectively except where the same is impracticable.

(ii) Estimates

On assessment of the estimates made under the previous GAAP financial statements, the Group has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under previous GAAP are made by the Group for the relevant reporting dates reflecting conditions existing as at that date. Key estimates considered in preparation of financial statements that were not required under the previous GAAP are listed below:

- Determination of the discounted value for financial instruments carried at amortized cost.
- Determination of impairment allowance (ECL) on trade receivables.

(iii) Impairment of financial assets

At the date of transition to Ind AS, determining whether there has been a significant increase in credit risk since the initial recognition of a financial asset would require undue cost or effort, the Group has recognised a loss allowance at an amount equal to lifetime expected credit losses at each reporting date until that financial instrument is derecognised.

4.3 The following reconciliations provide a quantification of the effect of transition from previous GAAP to Ind AS As Required Under Ind AS 101

- (a) Reconciliation of total Equity as at 1 April 2022 and as at 31 March 2023
- (b) Reconciliation of total comprehensive Income for the year ended 31 March 2023
- (c) Impact of Ind AS adoption on the statement of cash flows for the year ended 31 March 2023

(i) Reconciliation of total equity as at 31 March 2023

Particulars	Refer Note 4.4	As at 31 March 2023
Total equity (shareholder's funds) as per Indian GAAP		471.76
Ind AS Adjustments		
Adjustment to revenue due to change in timing of revenue recognition (Ind AS 115)	(i)	(0.31)

Cash and cash equivalents as at 1 April 2022	9.40	(150.06)	(140.66)
Cash and cash equivalents as at 31 March 2023	11.96	(119.11)	(107.15)

4.4 Notes To First-Time Adoption:

(i) Revenue from contract with customer

Revenue from sale of goods is recognized under IGAAP when the significant risks and rewards of ownership of the goods have passed to the buyer, i.e., when the goods are delivered to the customer. As per Ind AS, an entity shall recognize revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

(ii) Impact of Leases due to adoption of Ind AS 116

Under Previous GAAP, a lease is classified as a finance lease or an operating lease. Operating lease payments are recognised as an operating expense in the statement of profit or loss on a straight-line basis over the lease term. Under Ind AS 116, a lessee applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets and recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. At the date of transition to Ind AS, the Company applied the modified retrospective approach and measured lease liabilities at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate at the date of transition to Ind AS. Right-of-use assets were measured at the amount equal to the lease liabilities.

(iii) Impairment allowance for expected credit losses

Under Previous GAAP, the Company has created provision for impairment of receivables based on the incurred loss model. Under Ind AS, impairment loss has been determined as per Expected Credit Loss (ECL) model. The difference between the provision amount as per previous GAAP and Ind AS - ECL is recognized in retained earnings on date of transition and subsequently in the statement of profit and loss.

Under previous GAAP, interest free lease security deposits are recorded at its transaction value. Under Ind AS 109 "Financial Instruments", all financial assets are required to be initially recognized at fair value. The Company has fair valued the security deposits under Ind AS at its initial

(iv) Remeasurement gain/(loss) of net defined benefit plan

Under Previous GAAP the Company recognised actuarial gains and losses in the Statement of Profit and Loss. Under Ind AS, all actuarial gains and losses are recognised in the other comprehensive income. Further to the above, the deferred tax impact on above transaction has also been regrouped from Statement of Profit and Loss to other comprehensive income as per guidance under Ind AS 12 "Income taxes".

(v) Share of profit/loss in subsidiaries

Earlier Company was following the practice of recognising share of profit/loss from LLP(Subsidiary) in Previous GAAP. However as per Ind AS 27 share of profit /loss from LLP(Subsidiary) will not recognised in the standalone financial of Parent company, therefore the share of profit/loss taken in Financial statements is reversed.

(vi) Adjustments to rectify errors in previous GAAP

The Company has made certain errors in the adoption on accounting policies, measurement of depreciation, allocation of overhead cost, impairment of goodwill, employee benefit expenses. During the current year, on transition to Ind AS, the Company has rectified these errors by restating the transition date balance sheet as at April 1, 2022.

A **Equity Shares**

(i) Reconciliation of equity shares outstanding at the beginning and at the end of the year

	As at 31 March 2023	
	Number of shares	Amount
Outstanding at the beginning of the year	3,07,914	3.08
Add: Issued during the year	-	-
Outstanding at the end of the year	3,07,914	3.08

(ii) Rights, preferences and restrictions attached to the equity shares:

The Company has only one class of equity shares having par value of Rs.10 per share. Each shareholder is entitled to one vote per share held. The company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

During the year ended 31st March 2023, the amount of per share dividend recognized as distributions to equity shareholders was Nil.

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

(iii) Details of equity shares held by shareholders holding more than 5% of the aggregate equity shares in the Company

Name of shareholder	As at 31 March 2023	
	Number of shares	% of holding
Mr. Rajesh Khakhar	1,05,457	34.25%
Mr. Sameer Merchant	1,01,117	32.84%
Ms. Jigna Khakhar	52,020	16.89%
Total	2,58,594	83.98%

Note:

As per records of the Company, including its register of shareholders/ members and other declarations received from shareholders regarding beneficial interest, the above shareholding represents both legal and beneficial ownerships of shares.

(iv) The Company has not issued any bonus shares or shares for consideration other than cash during the period of five years immediately preceding the reporting date.

(v) The Company has not bought back any shares during the period of five years immediately preceding the current year end.

(vi) Details of Shares held by promoters at the end of the year

	As at 31 March 2023		
	Number of shares	% of holding	% Change during the year
Mr. Rajesh Khakhar	1,05,457	34.25%	0.00%
Mr. Sameer Merchant	1,01,117	32.84%	52.15%
Total	2,06,574	67.09%	52.15%

(B) **Preference shares**

(i) Reconciliation of Preference shares outstanding at the beginning and at the end of the year

	As at 31 March 2023	
	Number of shares	Amount
Outstanding at the beginning of the year	2,90,597	116.24
Add: Issued during the year	-	-
Outstanding at the end of the year	2,90,597	116.24

(ii) Rights, preferences and restrictions attached to the preference shares:

Each shareholder is eligible to vote in the ratio of their shareholding. The holders of CCPS shall be entitled to vote on all such matters which affect their rights directly or indirectly.

Laxmi Dental Limited (Formerly known as Laxmi Dental Export Private Limited)
 Notes forming part of the Special Purpose Standalone Financial Statements for the year ended 31 March 2023
 (All amounts are in INR million except per share data or as otherwise stated)

38 Earnings per share (EPS)

Basic/Diluted earnings per share amounts are calculated by dividing the profit/loss for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

	For the year ended 31 March 2023
Profit after tax attributable to equity shareholders of the Company (in INR)	14.16
Weighted average number of equity shares for basic EPS	5,73,719
Effect of dilution:	
Add: Split of shares subsequent to period end considered for calculation of earnings per share for current year (Note 1)	22,94,876
Add: Bonus shares issued subsequent to period end considered for calculation of earnings per share for current years (Note 2)	4,87,66,115
Weighted Average Number of equity shares at the end of the year (Note 3)	5,16,34,710
Basic earning per share (INR)	0.27
Diluted earning per share (INR)	0.27

Note

- Subsequent to 31 March 2024, the Board of Directors at their meeting held on 4 June 2024 approved the sub-division of each equity share of face value of INR 10 each fully paid up into face value of INR 2 each fully paid up.
- Further, the Board of Directors have also approved the issue of bonus equity shares in its meeting held on 4 June 2024 in the ratio of 1 equity shares of INR 2 each for every 17 equity share of INR 2 each by capitalization of such sum standing to the credit of free reserves of the Company
- Weighted average number of equity shares includes 7,90,597 Compulsorily Convertible Preference Shares (CCPS) convertible in the ratio of 1:0.915 i.e 2,65,805 equity shares. Each CCPS is a compulsorily and fully convertible preference share, convertible into Equity Shares, as per the terms and conditions as laid out in agreement with CCPS holder. Therefore, CCPS were classified in accordance with Ind AS 32 as equity.

(All amounts are in INR million except per share data or as otherwise stated)

39 Employee Benefits Obligations

(I) Defined contributions plans -Provident fund and others

The Company makes contribution towards employees' Provident Fund and other defined contribution plans. Under the schemes, the Company is required to contribute a specified percentage of payroll cost, as specified in the rules of the schemes, to these defined contribution schemes.

a) During the year the Company has recognized the following amounts in the Statement of profit and loss:

Particulars	For the year ended 31 March 2023
Provident Fund (Incl. admin charges)	14.47
Labour Welfare Fund	0.08
Total	14.55

(II) Defined Benefit plans

(A) Gratuity

The Company provides for gratuity benefit under a defined benefit retirement scheme (the "Gratuity Scheme") as laid out by the Payment of Gratuity (Amendment) Act, 2018 of India covering eligible employees i.e. an employee who has completed five years of service is entitled to specific benefits. The level of benefits provided depends on the member's length of service and salary at retirement age.

Liabilities with regard to the Gratuity Scheme are determined by actuarial valuation carried out using the Projected Unit Credit Method by an independent actuary.

The scheme is partially funded with an insurance Company in the form of qualifying insurance policy

a) Statement of Assets and Liabilities:

Particulars	As at 31 March 2023
Changes in the Present Value of Obligation	
Present value of obligation as at the beginning of the year	30.43
Current service cost	4.60
Interest cost	2.17
Benefits paid	(0.95)
Re-measurement (or actuarial) (gain) / loss arising from:	
- change in demographic assumptions	-
- change in financial assumptions	(0.85)
- experience variance (i.e. actual experiences vs assumptions)	(2.29)
Present value of obligation as at the end of the year	33.11

Particulars	As at 31 March 2023
Change in Fair value of Plan Assets during the Period	
Fair value of Plan Assets, Beginning of Period	4.52
Interest Income Plan Assets	0.32
Actuarial Gains/(Losses)	(0.23)
Benefits Paid from Fund	(0.94)
Fair value of Plan Assets, End of Period	3.67

Actual Return on Plan Assets

Particulars	As at 31 March 2023
Interest Income on Plan Assets	0.32
Remeasurements on Plan Assets	(0.23)
Total	0.09

Bifurcation of present value of obligation at the end of the year

Particulars	As at 31 March 2023
Classification of provisions	
Current	-
Non current	29.44
	29.44

b) Statement of Profit and Loss:

Particulars	For the year ended 31 March 2023
Expenses recognised in the Statement of Profit and Loss	
Current service cost	4.60
Net interest cost	1.85
Total expenses recognised in the Statement of Profit and Loss	6.45
(Gain)/Loss recognised in the Other Comprehensive Income	
Re-measurement (or actuarial) (gain) / loss arising from:	
- change in financial assumptions	(0.85)
- experience variance (i.e. actual experiences vs assumptions)	(2.29)

Components of defined benefit costs/(income) recognised in Other Comprehensive Income	(2.91)

[Handwritten signature]

Laxmi Dental Limited (Formerly known as Laxmi Dental Export Private Limited)
 Notes forming part of the Special Purpose Standalone Financial Statements for the year ended 31 March 2023
 (All amounts are in INR million except per share data or as otherwise stated)

c) The principal assumptions used in determining gratuity for the Company's plans are shown below:

Particulars	For the year ended 31 March 2023
Discount rate	7.31%
Salary growth rate	EOU - 7% Non EOU - 7%
Age of retirement	58 years
Attrition / Withdrawal rates, based on age: (per annum)	EOU - 10% Non EOU - 10%
Mortality (table)	IALM (2012-14) Ultimate

The discount rate assumed for current year, is determined by reference to market yield at the Balance sheet date on government bonds. The estimate of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

d) Maturity Profile of Defined Benefit Obligation

Particulars	For the year ended 31 March 2023
Projected benefits payable in future years from the date of reporting	
1st Following Year	3.31
2nd Following Year	3.17
3rd Following Year	3.04
4th Following Year	3.30
5th Following Year	3.87
Sum of 6 to 10 years	14.53

e) Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation (DBO) are discount rate, salary growth rate, attrition rate and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of the sensitivity analysis is given below:

Particulars	Sensitivity Level	For the year ended 31 March 2023	
		Decrease	Increase
Discount rate	1% Increase/ Decrease	2.69	(2.35)
Salary growth rate	1% Increase/ Decrease	(2.42)	2.68
Withdrawal rate	1% Increase/ Decrease	(0.05)	0.03

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the Defined Benefit Obligation as recognised in the balance sheet. The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(iii) Compensated absences

The obligation for compensated absences as at year end March 31, 2023 amounts to INR 4.88 million

43 Financial risk management

In the course of its business, the Company is exposed primarily to liquidity risk, interest rate fluctuation risk, credit risk and foreign exchange fluctuation risk.

A Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its position and maintains adequate source of financing.

The contractual maturities of financial liabilities are as follows:

	As at 31 March 2023				
	On demand	Upto 1 year	1 to 5 years	More than 5 years	Total
Non-current					
Borrowings	-	-	99.46	13.56	113.02
Lease liabilities	-	-	33.00	-	33.00
Other financial liabilities	-	-	9.54	-	9.54
Current					
Borrowings	152.89	40.53	-	-	193.42
Lease Liabilities	-	24.38	-	-	24.38
Trade payables	-	153.59	29.14	-	182.73
Other financial liabilities	-	41.46	-	-	41.46
Total	152.89	259.96	171.14	13.56	597.55

B Interest Rate Risk

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Exposure to interest rate risk

	As at 31 March 2023
Variable rate borrowings	258.84
Fixed rate borrowings	47.60

Interest rate sensitivity analysis

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	As at 31 March 2023
Sensitivity	
1% increase in MCLR	(2.59)
1% decrease in MCLR	2.59

C Credit Risk

Credit risk arises from the possibility that customers may not be able to settle their obligations as agreed. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk is managed through periodic assessment of the financial reliability of customers, taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of trade receivables. Other financial instruments that are subject to credit risk includes cash and cash equivalents, bank deposits, loans and security deposits.

The maximum exposure to credit risk at the reporting date is primarily from trade receivables which amounted to Rs 291.18 millions as at 31 March 2023. The Company provides loss allowance using the ECL model on trade receivables by following simplified approach. An impairment analysis is performed at each reporting date on an individual customer basis.

The credit risk on cash and cash equivalents and bank deposits is limited because the counterparties are banks with high credit ratings.

The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company does a credibility check on the landlords before taking any property on lease and hasn't had a single instance of non-refund of security deposit on vacating the leased property. The Company also in some cases ensure that the notice period rentals are adjusted against the security deposits and only differential, if any, is paid out thereby further mitigating the non-realization risk.

D Foreign currency risk

The Company has limited international transactions and thus its exposure to foreign exchange risk arising from its operating activities is low. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency. To mitigate the Company's exposure to foreign currency risk, non-INR Cash Flows are monitored in accordance with the Company's risk management policies.

Foreign currency risk exposure:

	As at 31 March 2023			
	USD	EUR	AED	CHF
Financial Assets				
Trade Receivables	1.93	0.01	0.01	-
Financial Liability				
Trade payable	0.38	0.92	-	0.00
Total	2.31	0.93	0.01	0.00

44 Capital management policies and procedures

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maintain a strong capital base to ensure sustained growth in business and to maximize the shareholders value and to ensure the Company's ability to continue as a going concern. The capital management focuses to maintain an optimal structure that balances growth and maximizes shareholder value.

The Company has not distributed any dividend to its shareholders. The Company monitors gearing ratio i.e. total debt in proportion to its overall financing structure, i.e. equity and debt. Total debt comprises of non-current borrowing which represents liability component of Convertible Preference Shares and current borrowing from ultimate holding company of the Company. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

The amount managed as capital by the Company are summarized as follows:

Particulars	As at
	31 March 2023
Total Equity (I)	400.83
Total borrowings	306.44
Less: Cash and bank balances (including deposits with banks)	(11.96)
Total debt (II)	294.48
Overall financing (III)= (I)+(II)	695.31
Gearing ratio (II)/(III)	42.35%

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2023.

1 Refer Note

The reason for reconciliation between quarterly returns or statements of current assets filed with banks are as follows:

1.) Inventories:

- Adjustments arising from the application of sales cut-off procedures.
- Provision for slow moving, non-moving

2.) Trade Receivables:

- Loss allowance made for trade receivables
- Adjustments to trade receivables due to period-end cut-off procedures
- Re-measurement of balances due to foreign exchange rate fluctuations.
- Offsetting advance from customers against trade receivables

3.) Trade Payables:

- Offsetting advance to suppliers against trade payable

viii. Relationship with struck off companies

The Company does not have any transactions with the Companies struck off under section 248 of the Companies Act, 2013 or section 560 of the Companies Act, 1956.

ix. Registration of charges or satisfaction with Registrar of Companies (ROC)

The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.

x. Compliance with number of layers of companies

The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.

xi. Compliance with approved Scheme(s) of Arrangements

The Company has not entered into any scheme of arrangements as approved by the competent authority in terms of Section 230 to 237 of the Companies Act, 2013, thus, the disclosures relating to compliance with approved scheme of arrangements is not applicable to the Company.

Laxmi Dental Limited (Formerly known as Laxmi Dental Export Private Limited)
Notes forming part of the Special Purpose Standalone Financial Statements for the year ended 31 March 2023
(All amounts are in INR million except per share data or as otherwise stated)

- xii **Undisclosed Income**
The Company does not have any undisclosed income which is not recorded in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- xiii **Details of Crypto Currency or Virtual Currency**
The Company has not traded or invested in crypto currency or virtual currency during the current year.
- 47 **As at March 31, 2023, the Company has outstanding trade receivable from one of its related parties amounting to INR 128.39 million which includes balances amounting to INR 43.12 million outstanding for a period more than nine months. This has resulted in non-compliances of various regulations, circulars and notifications issued under the Foreign Exchange Management Act, 1999 ("FEMA Regulations"). However, subsequent to March 31, 2023, the Company has collected balances amounting to INR 119.16 million including recovery of the entire balance which was outstanding for a period more than nine months as on March 31, 2024. No penalties were levied on the Company at the time of settlement of these balances. The management of the Company is certain that no material penalties or fines would be levied on account of such non-compliance and hence, the Company has not accounted for penalties and fines, if any, on account of such non-compliances.**
- 48 **Corporate Social Responsibility**
The Company does not meet the criteria specified under section 135 for CSR applicability. As a result, the Company is not obligated to establish a CSR committee or engage in CSR activities as defined under the Act.
- 49 **Subsequent Event**
I **Conversion of the Company from Private Limited to Public Limited**
Pursuant to resolution passed by the shareholders in the Extraordinary General Meeting dated June 18, 2024, the Company has been converted from Private Limited Company into a Public Limited Company and the name of the Company was changed to 'Laxmi Dental Limited' from 'Laxmi Dental Exports Private Limited.'
- II **Sale of business division**
The Group's business division in USA, i.e., "Alvy Dental Supply" which is primarily engaged in the business of Dental Laboratories, Dental Consumables and Dental Machinery. The Group entered into a Contract for Sale of Business dated 16 August, 2024 to sell this business division.
- III **ESOP scheme 2024**
The Board of Directors authorized the "Laxmi Dental Stock Option Scheme, 2024 ("ESOP Scheme 2024") on August 9, 2024, and the Shareholders adapted it on August 16, 2024. The Scheme officially came into effect on August 16, 2024. Under this Scheme, the total number of equity shares that may be allocated through options granted by the company is capped at 1% of the diluted paid-up equity shares. As on the date of the Financials Statement, the Company has not granted any options under the ESOP Scheme.
- 50 "0.00" Denotes amount less than INR Ten thousand.
- 51 These financial statements have been approved for issue by the board of directors at its meeting held on September 03, 2024
